Type of lesson available

Individual Lesson: with one Student - 30 minutes
- Standard format for instrumental lessons.
- Repertoire and rate of progress is specifically designed for each student.
- Care and attention is taken to establish sound musical and technical facility on the instrument.
- Preparation towards A.M.E.B. exams can be covered in these lessons. The group Exam Class is a requirement for exam students. This class includes aural tests, general knowledge and sight-reading practice together with performance practice. (See section on Exam Class)

Shared Lesson: with 2 students - 30 minutes
- This lesson is designed as an introduction to the instrument where beginning students learn the same material.
- It is highly recommended that students move to Individual lessons after the first year of learning.
- Developing students often learn at a different pace and therefore may learn different material. In this case, the shared lesson is frequently divided into 2 x 15 minute sessions.
- The Teacher’s time is shared equally between both students. Their rate of progress will not be as fast as for students enrolled in individual lessons.

- Lessons commence in the week beginning 8th February, 2016.
- Before students begin to learn an instrument, it needs to be understood this requires a commitment of at least one cycle.
- A student who attends lessons on time and comes fully equipped, benefits most during the total lesson time.
- Prior to a performance, lessons may be grouped with other students in order for small ensembles to rehearse together. These will be arranged at the discretion of the Teacher.

Ensemble

Beginner Strings
- Ensemble for new students of the violin, viola, cello and double bass.
- Weekly rehearsals – length of rehearsals is governed by the number of students.
- Designed to reinforce technical grounding covered in lessons.
- Introduces reading, clapping and writing exercises.
- Opportunity for students to play the same material together.
- Generally Students progress into Junior Strings after one year of Beginner Strings.

Junior Strings
- For students who have been learning between 6 months and 2 years.
- Listening exercises, dynamics and part playing are introduced.
- Parts are arranged to cover the level a student is currently playing.
- Technique, posture and tone development are taught through group exercises.

Chamber Strings
- Independent learning of parts is required to enable rehearsals to focus on the development of musical interpretation and understanding.
- Rehearsals pinpoint the articulation and attack required for each phrase and defines the correct technique for building the group sound.
- Performance etiquette, awareness of stage plan, stage presence and support of other students, are developed throughout the year.
- Chamber Strings alternates with the Concert Band in playing the National Anthem in Assembly for two terms.
Performances/Concerts

The Skill of Performing
- Concerts encourage a student to focus on a goal.
- The experience develops the student’s ability to feel comfortable when performing.
- It highlights the progress of a student from year to year.
- Two major performances are arranged each year, as follows:

String Concert – Term 2
- Solos and/or small group items.
- Larger ensembles.
- Students organize the concert, learn stage management and announcing of items.
- Prior to the performance, rehearsals may change time in order for ensembles to rehearse together. These will be arranged at the discretion of the Teacher.
- A notice is sent to students a few weeks before the concert.

Music Showcase – Term 4 during October
- All school ensembles perform
- A combined strings ensemble is rehearsed and prepared for this concert.
- Prior to the performance, rehearsals may change time in order for ensembles to rehearse together. These will be arranged at the discretion of the Teacher.

A.M.E.B. Exams
- Australian Music Examinations Board (A.M.E.B.) is the organization that delivers independent examination services.
- Exams are available for: Piano, Singing, Strings, Brass, Woodwind and Theory.
- The majority of exams are held at the AMEB studios, 259 Auburn Road, Hawthorn.

Instrumental Exams
- Exams are available for all stringed instruments.
- An applicant must be approved by the Instrumental Teacher.
- It is a requirement of all students preparing for an exam to enrol in the Exam Class.
- It is expected that students preparing for a Grade 3 or above exam receive weekly 45 minute lessons.
- Students are required to have established a regular practice routine, independent learning skills and the listed technical standard before preparing for an exam.
- It is important a student be in command of the material presented at exams to make the most of the experience.
Exam Class – compulsory for exam students

- A unique opportunity for participants to improve motivation and receive positive peer support whilst preparing for individual exams.
- Designed to cover additional exam requirements such as aural tests, general knowledge, and sight-reading.
- Performance practice is conducted parallel with preparation taught by the Instrumental Teacher.
- Exam Class is offered to students after approval from the Instrumental Teacher.

Theory Class

- A group class designed to prepare students for A.M.E.B. Music Craft or Theory of Music Exams (Theory Exams).
- A pass in Theory Exams is a pre-requisite for higher level instrumental exams and VCE Music Units 1-4. However, an earlier start is favoured at most schools.
- Knowledge of Theory supports a student’s understanding of notation, including intervals, rhythm, pitch and musical language for their instrument.
- Students are expected to complete set theory exercises during and outside class time.

Information for Exam Class and Theory Class

- Classes commence the week beginning 22nd February and end 11th November.
- Classes may be streamed into levels and run before and/or after School.
- The maximum number of students per class is 5.
- Please mark all possible available times on the enrolment form found in the Exam Class Handbook or Theory Class Handbook.
- Make-up classes will not be provided.
- Written consent from a parent needs to be received to change to a different class time.

Hire or Purchase of Instrument

String Instruments

- String instruments come in different sizes.
- During primary School, on average, a student might use:
  - 3 different violin sizes,
  - 3 different viola sizes,
  - 2 to 3 cellos sizes,
  - 2 double bass sizes.
- A student is sized at the beginning and throughout the school year.
- It is imperative a student plays on a correctly sized instrument, to prevent incorrect technique and posture.
- An instrument should be stored in its case in a cool dry place.

Hire from school

- The advantage of hiring an instrument from School is the availability of a larger instrument as soon as the need arises.
- It is recommended a parent insure the instrument under their house contents.
- A hire agreement form and instrument will be given to a student at the first lesson.
• A hired instrument is to be used only by the student whose name is written on the tag.
• An instrument comes with rosin and a shoulder rest.
• When damage occurs:
  o The Teacher will assess, and, if need be, take it to an expert repairer at your expense.
  o Do not try to repair it - modern adhesives can seriously damage both the sound and value of an instrument.
• When a new string is provided the parent should purchase a replacement for the School.
• Hire of a school instrument extends across term holidays.
• There is a small charge for hiring an instrument over the December/January holidays. Please email the Instrumental Co-ordinator to make arrangements.
• A hired instrument is to be returned at a student’s final lesson for the year.

Purchase of an instrument
• Details of recommended string instrument stores can be obtained from the Teacher.
• Correct instrument size needs to be professionally managed. Contact the Teacher before purchasing a stringed instrument.
• A second-hand instrument is preferred as the sound has had time to develop.
• A shoulder rest, rosin and spare set of strings are required.
• An instrument should be identified with name and class, preferably with a key tag or directly onto the outside of the case.

Storage of Instruments at School
• All instruments are to be stored in the classroom. A student needs to talk to the class teacher to negotiate a safe place out of the way of regular traffic.

What you need

Music Record Book
• Each student is required to use the Music Record Book supplied by the School at the first lesson.
• This is the main communication tool between teachers, parents and the student.
  o Teachers write weekly goals to be achieved, progressive lesson count and urgent messages.
  o Students should place it on the music stand and read before each practice session, and complete the practice register on each page.
  o Parents are encouraged to sign the practice chart before each lesson.
  o It should kept with the student’s music books and be brought to each lesson.
• Replacement books can be requested from the Instrumental Teacher and will be charged on your School statement.
• When a student fails to bring their Music Record Book to 4 consecutive lessons, a new book will automatically be provided and charged on the School statement.
Music Book
- A scrap book, usually 64 blank pages, can be purchased from the School for $2 or from a supermarket.
- Free scrap books (with a few used pages removed) are available from School.
- When a music tutor book is required, the Teacher will advise the name and price of the book and music shops where it is available.
- A display book with plastic inserts is necessary for ensemble rehearsals.

Music Stand
- A music stand for practice at home is essential for each student.
- To practice without a music stand involves the use of incorrect muscles and can result in playing becoming painful.
- Compact fold-up metal stands, available at most music shops, cost $30-40.

Music Bag
- An Essex Heights music bag is highly recommended to keep music books, scrapbook, ensemble folder and the Music Record Book together. They are available from the School uniform shop.
- The student’s name should be written on the bag.

---

Accessories

Violin and Viola
- Shoulder rests are not encouraged for beginner students
- The alternative is Poly-pad, a shaped foam cushion, available from School for $14

Cello
- Rubber stoppers attached to the end pin are recommended for daily use
- A round rubber disk called a ‘donut’ is recommended for playing during concerts, especially when on a wooden floor
- A chair/stool of an appropriate size will be recommended by the Teacher.

Double Bass
- Either a donut (as above) or a small wooden board with divots is recommended.
- A stool of an appropriate size will be recommended by the Teacher.

---

Practice
- Parents should encourage their child to establish a regular practice routine.
- Practice should be in a room with:
  - limited distractions,
  - a door that can be closed,
  - an area where a music stand can remain assembled.
- A student should aim to practise for 10 minutes for a minimum 4 days a week, with an increase in time as the student progresses. Regular practice is important for both the development of general music skills, muscle memory and co-ordination.
• Beginner students should play the exercises and pieces covered in the lessons 3-5 times and count aloud at all times whilst playing.

Enrolment Forms
• Enrolments are ongoing until the School receives a withdrawal in writing
• Please complete a new enrolment form if you want to adjust your current enrolment or start a new instrument/ensemble.

• The Teacher will provide make-up lessons at the regular scheduled time at the end of the school year unless otherwise negotiated by the Teacher.
• Replacement lessons for a student enrolled in a shared or group lesson may be given as an individual lesson which will count as two shared lessons. This will be arranged at the discretion of the Teacher.

Helpful Hints
• A student should enquire at the Music Office when a Teacher cannot be located.
• The night before a lesson, a student should place the instrument, music and Music Record Book alongside the school bag.
• A student may wear a watch or bring an alarm clock as a reminder to go to a lesson.
Withdrawal from Lessons

- Occasionally a student loses interest in learning their instrument. These may be momentary lapses of enjoyment and with the right encouragement a student can persevere through these times. If you are concerned, contact the Instrumental Teacher to talk over how best to support your child.
- The Instrumental Co-ordinator may be contacted via email – kennedy.alyssa.a@edumail.vic.gov.au
- After discussion with the Instrumental Teacher, should you wish to withdraw from lessons, written or email notification must be received by:
  - end of Term 1, for not continuing into Cycle 2
  - end of Term 2, for not continuing into Cycle 3
- **When a student discontinues lessons before the end of the year, all make-up lessons due are forfeited.**

Additional outside lessons or when seeking a second opinion

- Please gain the Instrumental teacher’s approval before proceeding with additional outside lessons or seeking outside advice.
- When seeking a second opinion from an outside teacher on your child’s abilities, please discuss this with the instrumental teacher who will provide information and advice on who to approach.
