

## Starlab Education Incursion Years 5/6

Date: Term 3 - Tuesday 25<sup>th</sup> July

Dear Parents,

Next term we have planned an exciting incursion for your child.

What is Starlab Education?

Please read the following taken from their website:

- Starlab is a mobile digital immersive theatre offering an enthralling IMAX style 3D experience without glasses.
- The movies totally surround the audience who watch in the comfort of a ventilated, inflatable dome.

Our program will be 'Oasis in Space' which takes the students through a beautiful journey through the Solar System and beyond. We travel from Galactic Space to all the planets in turn. We soar through the Asteroid Belt and the clouds of Venus and peer beneath the icy surface of Europa.

Time- One hour for your child's grade.

Cost- \$ 8.00
