Dear Parents,

The first sale period for Tickets to the upcoming Land Downunder - School ‘Dansical’ (Dance Concert) has now concluded.

As we have approximately 100 tickets still available for each night, we will now make them available.

We would ask that families limit their additional purchases to one (1) or two (2) tickets to ensure there is enough for everyone.

**The booking period will open tonight, April 26th at 7:00pm, until sold out.**

To book tickets, either go to the school website for the link, or go to this address: 

[trybooking.com/LAMZ](http://trybooking.com/LAMZ)

When you book through **TryBooking**, you will need to print your tickets and bring these with you on the night.

The children have been working really hard and are very excited to have the chance to showcase their dance moves. We are looking forward to another great show!

Thank you,
