Dear Parent/Guardian,

Essex Heights Primary School's preferred option for distribution of Family Statements is via email. This enables us to distribute statements more regularly and in a cost effective manner.

Statement of Intended Purpose:

Please be assured that all statements received online, the email and any attachments, will be confidential and are intended solely for the information of the individual to whom it is addressed.

**Barbara McCann
Business Manager**

Yes, I agree to receive my Family Financial Statement via email.
