Acoustic Guitar
- Nylon string (also called classical guitar) recommended for beginners
- Steel string guitars also available - slightly more difficult to play but have a brighter tone which is more often used in modern music
- Very popular contemporary instrument
- Usually plays chords
- Can accompany many styles of music including Rock, Folk, Country and Blues
- Reads treble clef and guitar tablature
- Relatively inexpensive instrument
- Instrument sizes: ½, ¾, full size
- Recommended earliest starting grade is Year 3

Electric Guitar
- Main instrument in most rock bands
- Plays both chords and melodies
- Uses the same techniques learnt on the acoustic but requires more delicacy and finesse and, as such, it is preferable to start learning on an acoustic guitar
- Recommended earliest starting grade is Year 4

Type of lesson available

Individual Lesson: with one Student - 30 minutes
- Repertoire and rate of progress is specifically designed for each student.
- Care and attention is taken to establish sound musical and technical facility on the instrument.

Shared Lesson: with 2 students - 30 minutes
- This lesson is designed as an introduction to the instrument where both students learn the same material.
- The Teacher’s time is shared equally between both students. Their rate of progress will not be as fast as for students enrolled in individual lessons.

Lessons
- Lessons are timetabled throughout the School day.
- They are organized, whenever possible, not to clash with Specialist Class lessons.
In 2016, students will receive 32 weeks tuition over the course of the year, divided into 3 Cycles.

Lessons commence in the week beginning 8th February, 2016.
Before students begin to learn an instrument, it needs to be understood this requires a commitment of at least one cycle.
A student who attends lessons on time and comes fully equipped, benefits most during the total lesson time.
Prior to a performance, lessons may be grouped with other students in order for small ensembles to rehearse together. These will be arranged at the discretion of the Teacher.

Guitar Ensemble

- Ensemble for guitar students are in groups according to level of progress.
- Weekly rehearsals.
- Length of rehearsals is governed by the number of students.
- Designed to reinforce technical grounding covered in lessons.
- Encourages students to play the same material together.

Performances/Concerts

The Skill of Performing
- Concerts encourage a student to focus on a goal.
- This experience develops the ability of a student to feel comfortable when performing.
- Highlights the progress of a student from year to year.
- Two major performances are arranged each year, as follows:

Guitar Concert – Term 2
- Small group items.
- Larger ensembles.
- Students organize the concert, learn stage management and announcing of items.
- Prior to the performance, rehearsals may change time in order for ensembles to rehearse together. These will be arranged at the discretion of the Teacher.
- A notice is sent to parents a few weeks before the concert.

Music Showcase – Term 4 during October
- All school ensembles perform.
- A combined guitar ensemble is rehearsed for this concert.
- Prior to the performance, rehearsals may change time in order for ensembles to rehearse together. These will be arranged at the discretion of the Teacher.

**Purchase of Instrument**

**Acoustic Guitars**
- Beginners guitars are quite inexpensive (approx $100) therefore all students are required to purchase their own guitar as the school does not hire them out.
- As a rough guide grades 3 and 4 should look at ¾ size and most grade 5 and 6 students should be able to manage full size guitars.
- It is not recommended that guitars be purchased second hand as the cost savings will be minimal compared with a brand new one as they are often plagued with faults.
- Nor do we recommend purchasing guitars from online stores, toy stores or supermarkets as they have little to no customer support if a problem arises.
- An instrument should be identified with name and class, preferably with a key tag or directly onto the outside of the case.

**Storage of Instruments at School**
- All instruments are to be stored in the classroom. A student needs to talk to the class teacher to negotiate a safe place out of the way of regular traffic.

**What you need**

**Music Record Book**
- Each student is required to use the Music Record Book supplied by the School at the first lesson.
- Replacement books can be requested from the Instrumental Teacher and will be charged on your School statement.
- When a student fails to bring their Music Record Book to 4 consecutive lessons, a new book will automatically be provided and charged on the School statement.

**Music Book**
- An A4 display book, to hold solo pieces of music not found in the tuition books.
- When a music tutor book is required, the Teacher will advise the name and price of the book and music shops where it is available.
- A display book with plastic inserts for ensemble music.

**Music Stand**
- The purchase of a music stand is highly recommended for each student.
- Compact fold-up metal stands, available at most music shops, cost $30-40.

**Accessories**

**Acoustic Guitar**
- Each student will require several picks (also called plectrums) which are available at any music store
- Guitar bag/case marked with name of student
- A spare set of strings will be handy

**Electric Guitar**
- Students who bring in electric guitars will be able to use the school amplifiers but will have to remember their own lead and strap
Practice

- Parents should encourage their child to establish a regular practice routine
- Practice should be in a room with limited distractions, and in an area where a music stand can remain assembled.
- A student should aim to practice between 5 to 7 days a week, with an increase in time as the student progresses.

- Replacement lessons for a student enrolled in a shared or group lesson may be given as an individual lesson which will count as two shared lessons. This will be arranged at the discretion of the Teacher.

Helpful Hints

- A student should enquire at the Music Office when a Teacher cannot be located.
- The night before a lesson, a student should place the instrument, music and Music Record Book alongside the school bag.
- A student may wear a watch or bring an alarm clock as a reminder to go to a lesson.
Withdrawal from Lessons

- Occasionally a student loses interest in learning their instrument. These may be momentary lapses of enjoyment and with the right encouragement a student can persevere through these times. If you are concerned, contact the Instrumental Teacher to talk over how best to support your child.
- The Instrumental Co-ordinator may be contacted via email – kennedy.aliyssa.a@edumail.vic.gov.au
- After discussion with the Instrumental Teacher, should you wish to withdraw from lessons, written or email notification must be received by:
  - end of Term 1, for not continuing into Cycle 2
  - end of Term 2, for not continuing into Cycle 3
- **When a student discontinues lessons before the end of the year, all make-up lessons due are forfeited.**

Additional outside lessons or when seeking a second opinion

- Please gain the Instrumental teacher’s approval before proceeding with additional outside lessons or seeking outside advice.
- When seeking a second opinion from an outside teacher on your child’s abilities, please discuss this with the instrumental teacher who will provide information and advice on who to approach.
