Melbourne Cup Day Weekend 2016

Dear Parents

Historically, the day prior to Cup Day is often included in many long weekend family plans and attendance numbers at school are low. We are anticipating a similar pattern this year and therefore will be combining some classes of the same year level. Students will still be provided with planned teaching and learning. If your plans are for your children NOT to attend school on the Monday prior to Cup Day, that is Monday 1st November, would you please advise us on the return slip provided below. This will enable us to plan more effectively for the day.

Thank you for your co-operation
