Parent Information Sessions 2017

EHPS will be presenting a series of Parent information sessions to support the partnership between parents, teachers and students in the teaching and learning process. Parents may elect to attend one or all sessions as they cover different areas of the learning partnership, however, Session 1 is recommended for those parents who would like to volunteer at the school. All sessions will be conducted in the school library.

**Session 1: Thursday 16th February, 2:30pm**

*Understanding what it means to be a parent volunteer at school*

This session will include the following topics: Working with Children checks; Signing in; Observing privacy; Role modelling for learning; Recognising and valuing difference; Exploring how children learn.

**Session 2: Thursday 23rd February, 2:30pm**

*Helping your child with Literacy*

This session explores language acquisition; How the Prep to Year 2 language program is structured, including, Speaking and Listening, Reading and Writing; and strategies that promote language learning.

Teachers greatly value the contribution of parents and are very keen to have a roster established to enable an even distribution of assistance in all classrooms, particularly from Prep to Year 2. If there are quite uneven numbers of available parents across classes, we would really appreciate your willingness to work in classrooms other than your child’s room.

Please complete the slip below and return to the Front Office by Wednesday 15th February.

Ina Kuehlich & Joan Scott
Assistant Principals
