

'The Silly Scientist'

Year 1 Science Incursion

As part of our Term 4 Integrated unit 'Wise Weather Watchers', students will have the opportunity to participate in an interactive workshop to support their learning.

'The Silly Scientist Show' includes comedy and singing, whilst highlighting many aspects of Science (Biological Sciences, Chemical Sciences, Earth and Space Sciences and Physical Sciences).

There will be a particular focus on the ways weather influences daily lives and the impact of weather phenomena such as droughts, floods and cyclones on communities. It will also assist students in understanding how seasons, climates and weather patterns differ around the world and extend to planets beyond earth.
