

## ESSEX HEIGHTS PS WATERING ROSTER

Dear Parents / community members

In order to retain our lovely grounds over the hot summer holiday period we ask for the support of our local community to assist with watering. If you are able to help (even for a day!) please let the school know by completing the attached form and returning to the Office before the end of the school Term.

We will hold an information session on Wednesday 19<sup>th</sup> December to run through accessing the hoses, where the taps are located, and which areas require attention. Meet in the Office at 3.35pm.

Thank you for your willingness to help out.
