PRINCIPAL'S REPORT

Dear parents and friends of our Essex Heights community,

Parent Opinion Survey 2019

WE WANT YOU TO TELL US WHAT YOU THINK

This year we will again be conducting the Department of Education & Training (DET) Parent Opinion Survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by DET that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 30 per cent of parents will be invited to participate in this year's survey. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from **Monday 22nd July to Sunday 11th August**.

The survey will be conducted online, only takes 10 to 15 minutes to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (Hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

The survey results will be reported back to our school at the end of September. Survey results will be communicated to parents through the 2019 Annual Report. This year, the 2018 results were used to focus on improved engagement and communication within our whole community.

Please speak to your child's teacher if you would like more information.

We look forward to your feedback so that we can continue to make our school the best it can be for the benefit of all of our children.

Principal's Report

The Sensory and Meditation Garden

Over the school holidays, work was completed on our new garden at the back of the portables, adjacent to the Years 3 to 6 playgrounds (before and after pictures below). This beautiful area is a passive space within our school that allows children to sit quietly, experience different textures and sensations as well as providing a peaceful and beautiful environment for the school. In the near future we will have an opening of this new area, but in the meantime can I please seek your support to ensure that children use this space appropriately. Ball games, running and very active play will not be permitted because they are contrary to the function of the area, AND will most probably damage plants and foliage. So parents, if you are near the area, please discourage children from playing in the garden.

This project was funded by the Inclusive Schools Grant and it was the result of the excellent work of Jenny Austin and Ina Kuehlich who developed a clear vision and plan for this area. This beautification and beneficial area within our grounds is due to their hard work and foresight. On behalf of our community, thank you!!

Parking & Road Safety in Essex Road

In recent months I have regularly asked families to please follow appropriate road rules when dropping off or collecting children from school. Thank you to the many families who do that on a regular basis because it ensures that we have a safe street for our children to use. Unfortunately, this week I again received complaints regarding illegal parking and dangerous practices when crossing the road.

Could I please seek your support again to ensure that all families use the supervised school crossing to cross Essex Road, obey all road rules, and travel at an appropriate speed around the local streets. Please work with us to keep the streets around our school safe for the children, and please respect our neighbour's properties.

This week I was also informed by both Mount Waverley Police and the City of Monash that they will be conducting 'blitzes' around our surrounding streets. Police will be monitoring parking, including:

- Overstaying in the two minute drop off/pick up zone;
- Double parking;
- Parking too close to the crossing;
- Parking across driveways; and
- Watching for students exiting vehicles while vehicles are stopped in unsafe locations.

They have indicated they will be taking a zero tolerance approach and issuing infringement notices.

Thank you for helping to keep the roads safe for our children.

Parent-Teacher Conferences

A reminder to families that Parent Teacher Conferences are coming up throughout next week, Monday 22nd to Friday 26th July. These provide an excellent opportunity to discuss growth and achievement throughout Semester 1. It also allows for discussion about important strategies on the areas for improvement for the next semester's work.

It is very important to download your child's Semester 1 report from the Compass portal. Please take the time to read it prior to your interview so that you are aware of items you would like to discuss with the teacher/s. You are able to make bookings up until 1.00pm on the day of the interview through the Compass portal. If you need a longer appointment than the 10 minutes allocated, or cannot make it next week, please contact the teacher to arrange an alternative time.

Parent Teacher Conferences continue to build the home and school partnership that is essential for the growth and development of each child. Please make the time to talk with your child's teachers.

Junior School Council Pyjama Day

Lucas, Jordan & Luca

At Essex Heights our Junior School Council (JSC) regularly works towards making a difference within our community. Yesterday, they held a fun day and fundraised to support foster families that help so many children on a weekly basis. It was great to see so many children in their cozy and colourful PJs. When I visited all the classes there were so many happy faces. Some children even thought we should have this 'every day'!!!!!! The day was very successful, and over \$500 was raised. Thank you to all families that donated to this great cause. Congratulations and well done JSC!!

Principal's Reading Challenge

The Principal's Reading Challenge is designed to further promote and encourage your child /children to read or be read to. The challenge will run for the first eight weeks of Term 3, concluding on Friday 6th September.

From **Prep to Year 2**, the classroom teacher will read books in class and keep a record of book titles read. The children will receive a Participation Certificate for listening to 30 books read in class. However they will also have the opportunity to also keep a reading log of books read at home as well (take home readers can be included as well). To receive a Principal's Challenge Reading Certificate, children in Prep to Year 2 will need to read 30 books at home.

For children in **Years 3 to 6**, the challenge will take place independently for them. They will be required to read and enter their own book titles. A total of five novels will make your child/ren eligible to receive a Principal's Reading Challenge Certificate.

All students have received the Principal's Reading Challenge information and record sheet.

Happy reading everyone!

Influenza

The Department of Health and Human Services (DHHS) advise that influenza is increasing throughout Victoria. Schools are also reporting higher rates of students affected by influenza.

School responses to influenza

Follow these important steps to respond to students affected by influenza at school:

1. Encourage students with cold or flu-like symptoms to seek medical attention. Common flu-like symptoms include a high fever, a cough, a runny nose, loss of appetite, body aches and feeling extremely weak and tired. Diagnosis should only be made by a medical practitioner.
2. Any students with colds or flu-like symptoms should limit contact with others and stay at home until their symptoms have passed.
3. If a student becomes ill at school with these symptoms, contact the family and arrange to pick up the student.
4. Good general hygiene is the best defence against infection. Encourage students to wash their hands regularly. Ask them to cover their nose and mouth when sneezing and coughing.

JSC Fundraiser: National Pyjama Day

BIG Thank You

The school raised a total of \$540 on Thursday to go towards The Pyjama Foundation's Love of Learning Program, offered to children in foster care. [CLICK HERE](#) for more information.

It was great to see so many teachers and students wearing their comfy pyjamas and dressing gowns to school as part of an awareness of thinking of the many who unfortunately have to sleep on the streets.

Junior School Council

Late last term, the Sustainability Captains were part of a leadership program at CERES. We worked with student leaders from many other schools around Melbourne. We were split into different groups and did amazing and fun activities. In the morning we were all together learning about sustainability and caring for our local environment. During the day we had workshops on solar energy (renewable energy), water management, energy efficient housing, and our personal development as leaders. Each school also presented what they did at their school as we did too, and we got some ideas.

At EHPS we would like to implement:

- ★ Signs reminding to turn off the lights, heaters and air conditioning to save energy.
- ★ Compost bins for each building.
- ★ Double sided worksheets to save paper.

By going to CERES, we have learned a lot of new, useful ways to improve sustainability, and we enjoyed it very much.

Division Netball

On Friday the Mixed A Netball team played in the Monash Waverly Division Netball Finals at the Waverley Netball Centre. The team won their first match 8-2 defeating Mary Magdalenes. After a short break, they followed with a strong second win, defeating Parkhill PS, also with a score of 8-2.

With great excitement, having finished first in their pool, increased pressure was felt in the Semi-Final against Camelot Rise PS. It was an extremely even match with several intercepts on both sides. The ball moved up and down the court, and the scores were locked at 5-5. Camelot Rise then took the lead 5-7, but we came back to finish strongly, with another goal, but not enough time to take the win. We unfortunately lost 6-7.

Disappointment was felt by all, but also a strong sense of pride with our achievements, not only today, but since the Winter ISS season began back in May.

The final Consolation match was played against Pinewood PS, and with a refreshed positive mindset Essex Heights took out the win 8-4. The final result of the day was three wins, one loss and the team proudly finished 3rd overall. Congratulations to all players, including Oliver S (absent today, but sent his well wishes from overseas) and Jack F (late recruit), on their skills, sportsmanship and maturity today and throughout the season. Thank you also to all the parents, family and friends who supported the team throughout the season.

Term 1 Summer Season update

The Essex Heights Softball teams will soon begin lunchtime training ahead of their Division Finals on 14th October. Keep a look out for details in the coming weeks.

Division T-Ball

On 18th July the Essex Heights T-ball teams played in the Division Finals at Mount Waverley Softball Centre.

The T-ball Girls Team started off by playing Mount View Blue and lost 3-11, after they played that exhausting game, they went on to a break for around 50 min. Then they played Pinewood Primary and won 22 – 1, which is a great achievement and the girl's team was happy and proud to win. In the third game (the Semi-Finals) they played Mount View Gold with a win of 8-5, and made the Grand Finals. That game result was 13-4; they came 2nd out of six schools, which is another great achievement. The girl's team got a red runners up flag and it will be hung in the Stadium.

The T-ball Mixed Team began with a win of 12-5 against Clayton North, and they all knew they were off to a good start. Then they had their break for 50 min and most of it was training. Next they played Pinewood and won again with a score of 15-5; the boys were very happy and excited to get into the Semi-Finals. Then they played a very tight game, and sadly lost 15-14 and they were devastated, but had a great effort and a fun time.

When that was over the boys team cheered on the girls playing in the finals, but then they practiced and had fun.

Prep Melbourne Zoo Excursion

Prep students will be visiting Melbourne Zoo in Parkville on Wednesday 31st July as part of our integrated unit 'Wonderful Wildlife'. We will be walking around Melbourne Zoo looking at some of the animals, and we will also participate in a Wild Explorer Workshop in the Education Facility.

We will depart school at 9.00am sharp (children will need to be in their classrooms by 8.30 am on this day). We will arrive back at approximately 3.15pm. School uniform is to be worn with suitable walking shoes, and a waterproof parka/coat and beanie are recommended. Please make sure all their belongings are in a small backpack, suitable for them to carry independently, that will carry their filled water bottle (no glass bottles please), with their snack and lunch in separate bags, and additional clothing.

Parent volunteers are required, but are limited to two per class. To volunteer you must hold a Working With Children Check and have read and agree to adhere to the Child Safe Policy and Code of Conduct by the signing of the acknowledgement. If this is in place, contact your child's teacher if you are available and want to volunteer.

Excursion information has been published on Compass. Please consent and pay \$35 (CSEF can be applied; contact the Office) no later than Friday 26th July.

Year 4 Taskworks Excursion & Sleepover

Year 4 students will participate in the Taskworks Excursion and Sleepover on Thursday 22nd and Friday 23rd August.

Taskworks is in Mulgrave, and provides hands on educational activities for primary school students to challenge their body and mind. Students will participate in activities that supplement Critical and Creative Thinking, Design and Technology, Health and PE, Geography and Personal and Social Capabilities. All these promote skills in problem solving, teamwork, communication, leadership and initiative.

Excursion information has been published on Compass. Complete your consent and payment of \$100 (CSEF may be applied; contact the Office) by Monday 5th August.

Years 5 & 6 Engineers Without Borders Incursions

engineers
without borders
australia

The Engineers Without Borders school outreach program will introduce our Years 5 and 6 students to the challenges faced by engineers who work in the developing world through hands on workshops that focus on:

- What do engineers do?
- What problems developing communities face?
- How do engineers solve these problems?
- What is appropriate technology?

Our chosen workshop covers issues such as the need to choose appropriate materials for different applications, and the limitations faced when accessing healthcare in developing countries. Students will work together in teams in a hands on activity to build a prosthetic leg using basic materials. All teams are given the same budget. The winning team will meet all three criteria of shock absorption, weight distribution and range of movement.

56A, 56C and 56S will do the workshop on Thursday 25th July, and 56O, 56L and 56M on Thursday 8th August.

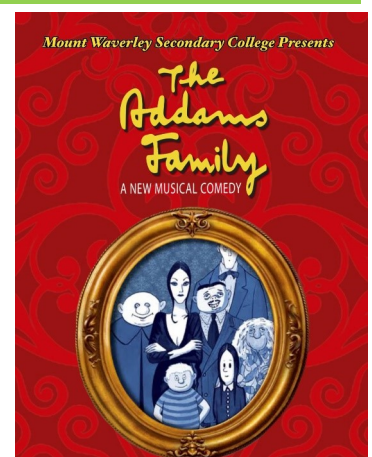

Incursion information has been published on Compass. There is no cost or consent required for this incursion.

Years 5 & 6 MWSC Production Excursion

On Thursday 1st August Years 5 and 6 students will attend the final dress rehearsal of Mount Waverley Secondary College's production of *The Addams Family: A New Musical Comedy*. This performance will take place at the Whitehorse Centre in Nunawading. We are looking forward to seeing students from our local community shine, and witnessing previous Essex Heights students contributing to this display of the arts.

We will leave EHPS via bus at 10.30am, and will return to school at about 2.00pm. Information has been published on Compass. Please complete consent and pay \$7 no later than Monday 29th July.
