Showcase – Friday, October 23rd

A reminder that this week some important information has been distributed about our “Showcase” to be held at Robert Blackwood Hall, Monash University. I urge you to read it carefully to ensure you are fully informed about the arrangements for the evening.

We are all looking forward to the opportunity and enjoyment it will create for our students and their families. We are also looking forward to all members of our school community being involved.

Oval Regeneration Project

You may remember that the fundraising from the Essex Heights Carnival in 2015 was allocated by School Council to the regeneration of the school oval. Throughout this year we have been seeking advice and quotations to carry out this work. We have been pleased to be supported in this by the
City of Monash – Sport and Park Maintenance Services as they have significant experience in a project such as this.

At our September School Council Meeting, quotations from two companies were accepted and plans are now in place to get this project underway. Initially, we will install irrigation across the oval as this is critical to ensure the success of the restoration. This work will be carried out sometime in the coming weeks. Following this, the oval will be levelled, top dressed, fertilised and reseeded. This will be completed over summer, as the peak growing period. Of course, the irrigation system is vital at this stage.

We expect that the oval will be unavailable for our use for the last part of this Term and the beginning of Term 1 2017 whilst it is established.

This works will complete the total upgrade of our oval area that has included: chicken coop, sand pit relocation, fitness stations, cubby house and perimeter seating (soon to be installed). We are very lucky to have a hard working PFA and committed School Council that have both contributed significantly to these wonderful school improvements.

**ICAS English Results**

Recently we received the results from the ICAS English Competition. These national competitions see a number of children test their skills and knowledge in the area of English. I would like to congratulate all the children who participated and in particular highlight those listed below for their outstanding achievement in receiving special recognition. A terrific endorsement once again of the high quality teachers and students we have here at Essex Heights PS. Thanks to Margaret Fitzpatrick for her work in facilitating these competitions for the children.

**Student Planning and Placement for 2017**

Teaching staff are now beginning discussions regarding the placement of children in grades for 2017. This is a complex task as there are many factors to take into account to try and get the best mix for all students to learn to their utmost. When developing class lists, teachers ensure that each class has an equitable spread of boys and girls with a range of academic abilities. Student compatibility and behaviour is also taken into account and students are placed with some friends with whom they work well. This process takes many hours of consideration and planning with the main objective being to place students so that their learning potential is maximised.

I would ask that if you have matters that are of interest to the educational wellbeing of your child, please complete the form that is available on the Essex Heights website and return to
me by Friday 21st October. This of course is not a case of parents selecting teachers for their children, but rather an opportunity for me to gain an insight into the matters you see as important to the educational wellbeing of your child, and to consider this carefully in the allocation of students to classes. This information will be handled by me in a confidential manner at all times. Please contact me if you have any further queries in this area.

**Hats – Terms 1 & 4**

Consistent with our SunSmart School Policy we expect our students to wear a hat in Terms 1 and 4 to protect against UV and the sun. This is a reasonable position and I would ask that you assist us in this area. Whilst caps might be popular, they usually give little protection, particularly for the ears. I would urge you to assist us to protect your children by purchasing an approved Essex Heights hat from our uniform shop, PSW in Mt Waverley.

See you around the school,

*Andrew*

**MUSIC NEWS**

This year’s Music Count Us In song has been released. The students have been listening to it and the Year 5/6s have created actions. The song is called [Let it Play](https://musicaustralia.org.au/program/countusin/the-song/submit-your-song/) and was composed by four school students (no Essex Heights students this year 😊). The performance date for this year is Thursday 3rd November at 12:30pm (there will also be a sneak preview at Showcase next week on October 21st).

*If you don’t know about this event, here is a little info … The idea came about as a way of promoting music in schools; each year, one song is written and thousands of schools across Australia sing the same song on the same day at the same time as a way of joining students, teachers, parents and friends nationwide to celebrate the importance of music and community.*

If you would like to listen to this at home, please use the following link: [https://musicaustralia.org.au/program/countusin/the-song/submit-your-song/](https://musicaustralia.org.au/program/countusin/the-song/submit-your-song/)
or search "MCUI Let it Play" in your web browser.

Happy singing 😊
FROM THE HEALTH CENTRE

Just letting you know that there has been a case of chicken pox diagnosed in the younger grades.

For more information, please refer below to the Better Health link and signs and symptoms:

Signs and symptoms:
- a mild fever;
- feeling tired and irritable;
- itching;
- rash. The rash usually first appears on the chest, back or face. It then can move to other areas of the body including inside the mouth. At first, the rash looks like small pimples. These later become blisters full of fluid.

How it is spread:
Chickenpox is highly contagious, which means it is very easy to catch. It can be spread by either having direct contact with the person who has chickenpox, from coughed fluids from their chest or by touching the liquid from the blisters. Children with chickenpox are infectious from one to two days before the rash first appears until the last blisters have dried up and should not return to school until then.

Any questions, please call me.

SUSTAINABILITY TEAM

Dear Parents,

Once again we are looking for volunteers to assist with the council recycling program. Please add your name to the fortnightly roster which can be found at reception. The next roll out is this Sunday, 16th October, ready for the Monday morning collection.

We are also seeking clean 1lt or 2lt ice cream containers (or similar sized yoghurt) to place under the bubblers to collect water from the bubblers for the gardens. Please place your donations in the purple tub located in V5.

Regards,

Marita Steward and the Sustainability Captains
RUBBISH COLLECTION - FAMILY ROSTER  
Monash Council Recycling Area A

Thank you to our school families who volunteer to put the bins out. Please collect the bins from the driveway behind the Art Room. Check the gate and if the gate is locked, please use alternate gate. Please space the bins out for the driver. The bins need to go out on Sunday night as collection times vary on the Monday morning. Important note: the bins cannot go out on Saturday as we may receive a fine or worse still, the bins may fall over!!

We have three gaps in our bin roster on the following dates:
13th November, 27th November and 11th December.
If you can help, please see Marita Steward (V7) after adding your name to the roster kept at the Front Office.

BEFORE & AFTER SCHOOL CARE

Dear Families,

This week at Before & After Care we will be doing the following activities:

MONDAY.......................... Cotton Bud Skeletons
TUESDAY (BEFORE CARE) ...... Pancake Breakfast and Cartoons
TUESDAY (AFTER CARE) ........ Dance & Drama / Cotton Ball Ghosts
WEDNESDAY ...................... Halloween Movie
    "Hotel Transylvania"
THURSDAY (BEFORE CARE) ... Halloween Cooking
THURSDAY (AFTER CARE) ...... Paper Plane Making / Halloween Colouring In
FRIDAY ............................ Swirling Ghosts

Do not forget on the 27th October we will have our Halloween Party.

The program Sun Protection Policy requires children to have sun screen and broad brimmed hats if they want to go outside. This is due to the high UV levels. It is vitally important children are protected from the sun.

Thank you,
Paul Davis
Hi everyone,

A packed agenda kept us busy at the PFA meeting last night, but we managed to get through it all. We approved funding to support the Grade 6 graduation as well as the new Prep transition day. We also decided to support the teaching staff by funding a new program for social and emotional development (“Second Step”) that will start with Year 1 & 2 children next year.

We’re hosting a lunch for all staff on Friday 21st October to celebrate World Teacher’s Day. If you can help, either on the day or by baking a small plate of treats, please get in touch with Deborah Leigh this week on 0411 778 417 or to.deb.leigh@gmail.com.

Do you love mangoes? I do. Look out for a mango order form coming home shortly. We’ll be selling boxes of mangoes to raise money for our school as well as to make our tummies happy. Thanks to Sharon Leong for this great initiative.

Remember that the Essex Heights School Disco will be held on Friday 11th November. A notice will come home soon.

Bye for now,
Andrea J

Dear friends,

To celebrate World Teachers’ Day, we would like to celebrate our wonderful teachers at Essex Heights PS with a luncheon on Friday 21st October at 1.30pm.

To successfully provide a delicious lunch, I ask for volunteers on the day to help decorate the Staff Room, set up and serve our fantastic teaching and support staff.

Additionally, if anyone could provide some sweets (slices, cookies, cake) for morning tea/dessert, this will keep our costs down and would be much appreciated.

If you are able to help either on the day or in baking a small plate of sweets, please let me know by this Friday, 14th October.

Many thanks to our generous school community,

Deborah Leigh
